WOMEN AND MEN MIKVAH

The women's Mikvah provides all hygiene essentials for ritual preparation and immersion. As a vital cornerstone of Jewish family life, it also offers private classes on the laws of Family Purity for both brides and married women. This ensures every visitor feels fully prepared and supported in their spiritual practice.

The men's Mikvah is open daily from 5:00 am to 6:00 pm. This consistent schedule provides reliable access for ritual immersion throughout the week and before holidays. It serves as a dedicated space for the community to maintain their daily traditions with ease and accessibility.

Appointments for woman Mikva are required via SMS at (702) 381-1701 at least 24 hours in advance.

BET YOSSEF LAS VEGAS

Dear Friends,

A calendar is a curious thing. It marks each day with absolute certainty. It tells us about the future, as if it were a prophet. But as Jews, we know that everything we have, including time, is from G-d, and all that is “on loan” to us. No man truly knows what awaits him tomorrow. I hope, therefore, this calendar will be regarded as a reminder that each day is a gift.

Every moment is sacred time to do what is right with what G-d has given us.

Many of our families in Las Vegas have come to embrace Judaism’s deep spiritual principles about time – observing Shabbat, setting aside quality time for family, devoting personal days to charity, reserving hours to meditate on the beauty of just being alive.

At Bet Yossef Community Center, we invite our members to reflect upon G-d’s generosity at every moment. A regular thing for us is time and renewal, and how we can develop and share G-d’s gifts in all aspects of our lives, whether at home or at work, in the synagogue or on the street.

My hope is that, as we move forward through the year, each of us will contemplate how we can use and share the gifts that G-d has given us. The Bet Yossef Community Center calendar is designed to help stimulate your reflection.

Please take a few moments to look through it in light of your own experiences with time and faith – and how you can begin to renew yourself right now.

K’ siva V’ chasima Tova, a sweet and happy New Year!

Sincerely,

Rabbi Shmuel and Shaina Attal

“In the old days there was a person in every town who would light the street lamps with a flame he carried at the end of a long pole. On the street corners, the lamps waited to be lit.

Sometimes, however, the lamps were not as easily accessible... there were lamps in forsaken places. Someone had to light even those lamps so that they would fulfill their purpose and light up the paths of others.

Today too, someone must be willing to forgo his or her convenience and reach out to light even those forsaken lamps...”
